OWNERS & WINEMAKERS NOTES David & Cynthia Enns:

Just like a finely balance stock portfolio, putting together a blended wine takes finesse and judgement so that the experience of the whole will be greater than the sum of the individual parts. Our Laughing Stock Portfolio is a wine that marries the art and science of winemaking with a blend of Bordeaux varietals. For over a decade, Portfolio has routinely won top accolades from wine competitions and wine critics alike: a proven chart-topper.

The Laughing Stock Portfolio has a bold nose with aromas of blackberry, warm raspberry, vanilla bean and some earthy herbal notes. The tannins are powerful but have a velvety texture that will provide longevity in the wine, as it has in previous vintages. As always, Portfolio is a full bodied wine with ample concentration and complexity that will develop for years to come.

This Okanagan red wine - Laughing Stock Portfolio - is a blend of 41% Merlot, 30% Cabernet Sauvignon, 18% Cabernet Franc, 8% Malbec and 3% Petit Verdot grapes. It was aged for 19 months in oak barrels, much loads of oak, chocolate, mocha and sweet vanilla spice flavours.
