

DEVONIAN COAST WINERIES

MERCATOR LONG 64°W RED

Mercator wines intersect to create a waypoint in our wine region's 30-year journey. Together they represent the unique position of our vineyards on this earth.

NOSE:

Aromas of dark berry fruit and black cherry with a hint of spice backed by an inviting vanilla and coffee note are expressed on the nose.

PALATE:

Natural acidity lifts the aromatics of plum, cherry and spice that are found on the palate and guarantees potential for evolution and further complexity with bottle aging. This wine has a bold mid-palate structure but remains supple and round on the finish.

NOTES:

A signature medium bodied proprietary wine from the Mercator Estate and Vineyards the wine combines the deep red intensity of color of its component grape varieties - Castel and Baco Noir – with a supple and youthful grape expression. Natural acidity lifts both aromatics and flavors and guarantees potential for evolution and further complexity with bottle age.

PAIRINGS:

Pair this complex red wine with barbequed red meats, slow roasted lamb and beef, hard cheeses and Charcuterie

Alc/Vol: 12%

Size: 750 mL

Varietal: Castel, Baco Noir
