

DEVONIAN COAST WINERIES

Jost Millot Marechal Foch

Each wine and varietal was individually cool fermented in stainless steel and blended only after the intended alcohol and sweetness was reached.

nose:

A complex nose of blackberry, red cherry, plum and violets integrated with a hint of dried fruit.

palate:

Well balanced, brilliantly deep in colour and intensity, our blend of these popular Nova Scotian-grown grapes tantalizes the palate with red berry flavours and a pleasant length.

notes:

Its fruity bouquet makes this wine perfect with barbecued meats and roasted pork.
